JUNIOR VARSITY COACH BILL MOLINARI

Coaching the junior varsity is Bill Molinari, a 1975 graduate of Illinois Wesleyan University and the only letterman lost from last year's team. The former Glenbard West High School star earned varsity letters his last three years at IWU. He played a prominent role in the late-season comeback of the 1973-74 team. Although not a starter the final two months of 1974-75, Molinari again was a steadying and motivating influence with a young team.
